

# TOWER MOUNT

**Cross Arm Mount**

**Extended Pipe Mount**

**Clamp Mount**

**Side/ Wall Mount**

## PRODUCT DETAILS

Engineered for durability and performance, Shriram Telelink tower mounts are designed to support various telecom equipment including microwave, GSM, and SDH systems.

Manufactured using high-quality MS angles, channels, and pipes, these mounts are hot dip galvanized for long-term corrosion resistance. Supplied in ready-to-install condition, they ensure quick and reliable deployment at site locations.
